Registrar s message: transitioning to Professions and Occupations Act

The Health Professions and Occupations Act (HPOA) is expected to come into force in 2025 a replace the current statute, the Health Professions Act. We are committed to updating regist the HPOA transition process as we prepare for its implementation next year.

The HPOA will lay the groundwork for transforming how health regulators fulf protect the public. Once in effect, it will improve access to safer health c

- Implementing anti-discrimination measures to foster physically, cultura emotionally safe practices.
- Supporting and promoting awareness of reconciliation with Indigenous
- Creating a more transparent complaints process, including the publish actions on college websites.
- Creating safety and identity protection measures and support for comp experienced discrimination, sexual abuse or sexual misconduct.
