Eligibility in the Provisional Class: RCPSC Rulings Acceptable to the Registration

As of July 17, 2015, the Registration Committee no longer accepts the FMRAC-RCSPC PRA for the following reasons:

> UBC does not have the capacity or funding to oversee and complete assessments associated with the FMRAC-RCPSC PRA process nor to sign off on the final in-training evaluation report (FITER) for the assessee, as is required by the RCPSC.

> Traditionally, participants in the FMRAC-RCPSC PRA process were registered in the educational   postgraduate (fellow) class. However, the purpose of the educational postgraduate (fellow) class is to provide training to IMG physicians to take back to thei
