

Alternatively, you may forward your TRF number to the College, and the College can view your score through the IELTS Academic verification service.

- A TRF is valid for a period of two years from the date taken.

OET Medicine examination

- Minimum grade of B in each component.
- Forward your OET results by including the College as a verified organization on your myOET account.
- OET results are valid for a period of two years from the date taken.

CELPPIP General examination

- Minimum score of 9 in each component.
- The College will access candidate scores through Paragon's Score and Identity Verification System (SIVS). In order to be granted access, candidates must either inform Paragon that the College is an authorized institution or provide the College with their registration number.
- CELPIP results are valid for a period of two years from the date taken.

Results/score of the examination must be sent directly to or shared with the College of Physicians and Surgeons of BC.
